Guide

BusinessSite Private Services (TA18)

Confidential high-security Flutter client for private tenants.

Package online.businesssite.privateservices · slug businesssite-private-ta18 · visibility super_admin (never listed on public Powered Apps).

Access

- No self-registration - Support issues one-time BS- codes to bind a device
- Biometrics (face / fingerprint / device PIN) unlock after bind
- APK download only via Private Apps hub
(assignee token or hub password + TOTP / backup OTP)

First pack - Desk 7 Field Comms

- Roles: Field Volunteer · Area DCIP · War Room / Command · Support
- Issued feed · voice/text threads · role-gated plugin tray · Panic/SOS
- Loop: Command issues ? Volunteer acts ? DCIP escalates ? Command closes

Training

Role and feature guides plus slower training videos live on the Private Apps project hub after login.

Chat: guide private.

Chat commands
